4 . Conclusion of execution quality

In the year 2018, to achieve best execution results of client's orders, Zarattini International has taken into account a number of factors including price, costs, speed, likelihood of execution and settlement, size and nature of the order, and any other relevant consideration (such as market impact and implicit transaction cost).

Zarattini International's clients are all considered as professional clients therefore there is no difference in order execution arrangments within this client category

Zarattini International has no links, conflict of interest, or common ownerships to any execution venues used to execute orders. Zarattini International does not have any specific arrangements with any execution venues regarding payments made or received, discounts, rebates or non-monetary benefits.
